Sponsor Today!

Each of our animals require daily care from our Animal Technicians. It is costly to provide quality food, bedding, and veterinary treatment.

By sponsoring one of our animals your support provides necessary care, maintenance, and enrichment and allows us to continue providing quality programs for the community.

Our Animals

Earthplace is home to more than fifty live animals in the Animal Hall and Connecticut Birds of Prey exhibit. These animals represent many of the major animal groups including birds, mammals, reptiles, and amphibians.

Many of these animals have injuries that prevent them from being released back into the wild and some are former pets that have been donated to us.

All of our animals are an integral part of our programs. From summer camp to junior staff to nursery school, our resident animals allow our visitors to have up-close encounters with our wild neighbors.

Sponsor a Mammal!

Chloe the Chinchilla

Puff & Pumpkin the Guinea Pigs

Rye & Barley the Rabbits

Echo & Sonar the Brown Bats

Mama Liu the Malayan Box Turtle

Pablo the Painted Turtle

Tornado the Bearded Dragon

Sponsorship

Animal sponsorship is a great for families, as a gift, or as a fundraising goal for a club. Your support goes directly to caring for our animals and sponsorship lasts one year.

Individuals or groups may choose to support any of our permanent resident animals. There are several levels of sponsorship, each offering different benefits.

Sponsorship Levels

\$25

Sponsor receives a certificate of sponsorship, a photo and information about their sponsored animal.

\$50

Sponsor receives all of the above plus an encounter with their animal. Encounters will vary according to the animal's level of training.

\$100

Sponsor receives all of the above plus a sign on their animal's enclosure recognizing their support.

\$200

Sponsor receives all of the above plus an hour-long interactive animal program for up to 10 people led by Earthplace Staff.

Note—the program may or may not feature your sponsored animal.
